Central PA Newsletter

Pathways to Work and United Way's Road to Success: Strengthening a Growing Partnership

Pathways to Work has joined United Way's Road to Success program as a Chair Member of the Core Solutions Partner Committee, united in the mission to help job seekers find meaningful employment within the community while continuing to grow our respective programs

Expansion in Central PA!:

The Pathways to Work program continues to grow! Pathways is pleased to announce we are expanding our services into the Northern Central region at our Williamsport location, as well as adding an additional staff for South Central PA!

Upcoming Events:

- September 11th: In-person interview workshop at Lebanon CareerLink
- September 16th: Resource Fair
- October 16th: ECHOS job fair
- October 23rd: Cumberland County Fall Job Fair

WHAT IS PATHWAYS?

UPMC Pathways to Work is a job navigation program that uses a personal, concierge-based approach to connect unemployed and underemployed individuals to employment resources at UPMC, UPMC Health Plan, and within the community. Please send referrals to pathwaystowork@upmc.edu
